

INDIAN CREEK

Ladies Night Golf

Whether you've never picked up a club or you're just looking to build more confidence on the course, Ladies Night Golf is the perfect place to start. This fun, welcoming program is designed specifically for women who want to learn the game — or rediscover it — in a relaxed, no-pressure setting with players of all skill levels.

Every Friday evening, you'll begin with a 30-minute clinic where our instructor walks you through the core fundamentals of the game: iron play, driving, chipping, and putting. From there, you'll take what you've learned straight to the course for 9 holes of guided, on-course instruction. It's the kind of hands-on learning that makes the game click faster — and a lot more enjoyable.
